INSTALLATION

i Before connecting the USB cable **C** to the laptop, make sure that the DisplayLink driver is installed on the laptop.

⇒ Download driver at displaylink.com/downloads

⇒ Connect the USB cable.
NOTE! The configuration can in some cases take more than 60 seconds.

The consequential re-connections will be faster (~10 seconds).

Konftel is a leading company within collaboration endpoint solutions. Since 1988, our mission has been to help people in businesses around the world to have meetings regardless of distance. Based on our success, we know that remote collaboration is a smooth way to save time, money and at the same time contribute to a more sustainable world.

Crystal clear audio and a sharp video image are essential for efficient meetings, this is why we only focus on cutting-edge technology in our Collaboration Solutions. Our patented audio technology OmniSound® is built into all Konftel Conference phones and devices. The products are sold globally under the Konftel brand and our headquarter is based in Sweden.
